Dear Last Name:

We are pleased to invite you to attend CMP Advance, 11-13 March 2024 at the Fairmont Royal York, Toronto, Ontario. We welcome your participation in this important event, and greatly value your support.

A signature event of the Events Industry Council, CMP Advance provides the only continuing education in the business events industry held exclusively for those who hold the CMP designation. The two-day event includes education and networking opportunities to collaborate with industry leaders across the globe from different sectors of the industry to stay abreast of key trends.

Visitors of a foreign country seeking to attend or participate in CMP Advance may require appropriate documents to enter Canada. The type of documents required depends on the purpose of the visit, and from which country you reside. For an overview and more information on obtaining a visa, visa policy and procedures, please visit the Canadian Government website:

<https://www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/visitor-visa.html>

Note: You may also be required to consult with the Consular Officer at your embassy or consulate who decides what kind of visa you need when you apply.

While EIC has no influence or role in the Visa process, we do want you to be aware of potential delays in the process should you need to update your Visa. Due to potential lags in Visa processing in some countries, please apply as early as possible prior to your departure.

For updated information about the conference, please visit www.cmpadvance.org. We look forward to your participation at CMP Advance 2024.

Sincerely,
